Gasworks Residency Open Call 2019

Supported by the Contemporary Bolivian Arts Trust

Residency for Bolivian artists, 1 July – 16 September 2019

Application Deadline: Tuesday 19 February 2019

This opportunity will enable an emerging Bolivian artist to undertake a fully-funded residency at Gasworks in London from 1 July to 16 September 2019. Gasworks' residencies are opportunities for self-led professional development, artistic exchange and experimentation.

The Residency Comprises:

- 24-hour access to a fully accessible studio at Gasworks, alongside other visiting artists and Gasworks' permanent studio holders.
- An Open Studio, or similar public presentations, at Gasworks
- Single room accommodation within Gasworks Residencies House (a 3-story house, shared with 3 other artists-in-residence)
- Basic living expenses in London
- Economy return flights from the artist's home city to London
- Travel card (zones 1+2) for unlimited travel within central London for the duration of the residency
- Administrative, pastoral and curatorial support from Gasworks (during office hours)

Selection and Eligibility

The residency is open to contemporary visual artists working in all disciplines, though one must note Gasworks' restricted facilities. Aspiring artists producing high quality work who have not had the opportunity to work in London before will be prioritised. Applicants should have at least a moderate level of spoken English, and should feel comfortable engaging in artistic discussions in English. It is important that all applicants research Gasworks thoroughly before submitting their application so as to be fully aware of the context which they would, if successful, be entering. Applicants who have previously applied to this residency are welcome to reapply.

The selected artist should be able to engage discursively and speculatively with Gasworks' environment and London's wider artistic and cultural context. With this in mind, applicants should submit a project proposal within their application, outlining their specific research interests and intentions for the residency. Those who fail to submit a considered proposal that is specific to this residency and the London context will be disqualified.

Selection Process

The artist will be selected on the basis of their application. The successful artist only will be notified by **Friday 8 March 2019**.
