**The Gasworks + URRR Residency 2021, supported by Erica Roberts**  
**Residency for Argentine Artists under 40, based in Argentina,**  
**Residency period: 12 April to 28 June 2021**  
**Application Deadline: Tuesday 20 October 2020**

We are now accepting applications from Argentine artists under the age of 40, based in Argentina for a fully-funded residency at Gasworks in London from 12 April to 28 June 2021\*. This residency is part of an exchange programme developed in partnership with URRR, who will host a UK-based artist in Buenos Aires in 2021. Both opportunities are supported by Erica Roberts.

## **The Residency Comprises:**

- 24-hour access to a fully accessible studio at Gasworks, alongside other visiting artists and Gasworks' permanent studio holders.
- Single room accommodation within Gasworks Residencies House (a three-story house, the communal spaces of which will be shared with 3 other resident artists).
- Basic living expenses in London (£150 p/week).
- Economy return flights from Buenos Aires to London.
- Travel card (zones 1+2) for unlimited travel within central London for the duration of the residency.
- An artist's talk and Open Studio, or similar public presentations, at Gasworks.
- Administrative, pastoral and curatorial support from Gasworks (during office hours).

## **Selection and Eligibility**

The residency is open to contemporary Argentine visual artists working in all disciplines, though one must note Gasworks' restricted facilities. Emerging artists producing high quality work who have not had the opportunity to work in London before will be prioritised. Applicants should have at least a moderate level of spoken English, and should feel comfortable engaging in artistic discussions in English. It is important that all applicants research Gasworks thoroughly before submitting their proposal so as to be fully aware of the context which they would, if successful, be entering.

The selected artist should be able to engage with Gasworks' environment and London's wider artistic and cultural context. With this in mind, applicants should submit a project proposal outlining their specific research interests and intentions for the residency. Those who fail to submit a considered proposal that is specific to this residency and the London context will be disqualified. **Previous applicants that were not selected for the residency are encouraged to re-apply.**

## **Selection Process**

The artist will be selected on the basis of their application. A decision will be made in liaison with a selected jury composed of representatives from Gasworks and URRR and invited specialists. The successful artist only will be notified by **Friday 30 October**.
